SUBJECT:

b. Who authorized the statement that the policy of the Agency will be to observe the spirit and not the letter of the law? Further, who authorizes diversion of Kersten funds into other than the originally intended channels.

3. As I recall, [ ] made a detailed and exhaustive study on this matter for some six months or so of the past year. I recommend highly you contact Plans and become familiar with the full implication of this study. In the meantime, Plans is taking action to convince [ ] to make the results of his complete study available to [ ]
